

British Red Cross Training's ongoing sustainability mission

Our 2025 achievements

Ongoing reduction in flipchart **paper use**, down **30%** from 2024.

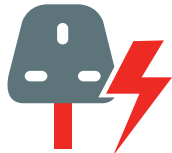

Printing reduced by increased use of **QR codes** in course materials.

Ongoing certification in **ISO 20121** (Event Sustainability) and **ISO 9001** (Quality Management System).

Advanced understanding and reporting of **energy efficiency** wins for internal premises.

Waste reduction by **reselling equipment** via the British Red Cross eCommerce team (eBay) and repurposing of training dressings.

Change in **anti-bacterial wipes** used on courses to minimise the environmental impact.

50+ sustainability improvement initiatives submitted by staff.

41% increase in course boxes being made up by trainers.

Thank you to everyone at Red Cross Training for your continued efforts to help us achieve our ongoing sustainability commitments. For more information, please contact national operations manager, **Wes Kavanagh**, at wkavanagh@redcross.org.uk.
